## SUMMARY

Aspiring software engineering professional with relevant academic background in Computer Science and hands-on experience in video editing and content creation, expert in Python and Java. My key achievements include successfully completed a Machine Learning course at SkillDzire . Seeking an Associate Software Engineer position where I can leverage my programming and content creation skills to support innovative and cutting-edge software solutions..

## EDUCATION

- R.V.R J.C College Of Engineering      2021 - Present  
Bachelor of Computer Science      Guntur, AP  
GPA : 8.0
- A.P.S.W.R.E.S /JR COLLEGE      2019 - 2021  
Intermediate Education in MPC      Tiruvuru, AP  
Percentage : 93.3

## INTERNSHIPS

- SkillDrize      Jun 2024 - July 2024  
Machine Learning      Vijayawada,AP  
-Achievements  
-Acquired a good knowledge about Machine Learning through the live sessions of SkillDrize.  
-Project on "Real-Time object detection with yolo and its application".
- TechnoHacksCompany      May2023-Jun2023  
Web Development  
-Achievements  
-Developed and deployed three interactive web applications: a user-friendly calculator, a secure login page, and a dynamic portfolio showcasing my skills . These Applications are built using HTML,CSS and JavaScript.

## PROJECTS

- Portfolio Website  
I developed a personal portfolio using HTML, CSS, and JavaScript. The portfolio showcases my skills, projects, and professional background in a visually appealing and user-friendly manner. It includes interactive elements, responsive design, and smooth navigation to provide visitors with an engaging experience.  
- <https://kiran58595.github.io/kiran58595>
- Grocery Store Application  
I developed a highly responsive Grocery store application using Python as backend & CSS, HTML JavaScript as frontend over personal projects, skills and experiences.

## TECHNICAL SKILLS

Programming Skills	Python , C , JAVA , SQL
